

Canadian Local Market Intelligence

Know Your Market. Grow Your Business.

You run the business. We watch the market. We monitor your local competitors, prices, offers, reviews and customer trends — then give you simple answers and clear next steps.

What We Watch

Competitors	Who is competing for your customers?
Prices & Offers	What are they charging and promoting?
Customers	What are people saying and looking for?
Market Trends	What's changing in your area?

What You Get

WHAT CHANGED?	Important market movements.
WHY IT MATTERS?	How it affects your business.
WHAT TO DO?	Clear next steps.

Why Tekmul?

Local	We focus on your market.
Simple	No confusing jargon.
Actionable	We tell you what to do.
Human	Real support when you need it.

Trades We Serve

HVAC • Plumbing • Roofing • Electrical • Cleaning • Landscaping • Painting • General Contracting
